## Immunisation in NSW

- 217 Using operational research to ensure that immunisation benefits are enjoyed by all**  
Introduces the three papers in this second special issue on immunisation. The first paper is a collation of the following three short reports of examples of operational research which have informed local immunisation programs within NSW.  
David N. Durrheim
- 219 Invasive pneumococcal disease in western Sydney, 2002–2010**  
*Kristina L. Flego, George Truman, Vicky Sheppeard and Robin E. Gilmour*
- 221 Aboriginal identification in Hunter New England infants**  
*Natalie Allan and Patrick M. Cashman*
- 222 Why are children on the NSW North Coast not being vaccinated against chickenpox?**  
*Marianne Trent*
- 224 The seroepidemiology of pertussis in NSW: fluctuating immunity profiles related to changes in vaccination schedules**  
Describes the use of serosurveillance to explain unpredicted changes in the epidemiology of pertussis in NSW.  
Helen E. Quinn, Deepika Mahajan, Linda Hueston, Patricia Campbell, Robert I. Menzies, Gwendolyn L. Gilbert and Peter B. McIntyre

- 230 Influenza vaccine program at three tertiary paediatric hospitals in NSW in 2010**  
Describes the delivery of a state-funded influenza immunisation program through three large paediatric hospitals in NSW to protect children with chronic diseases; data collected from the program contributed to the national investigation of adverse events following influenza vaccination in children in 2010.  
Nicholas J. Wood and Patrick M. Cashman

## 233 List of reviewers in 2010–2011

## Bug Breakfast in the Bulletin

- 236 Pertussis in NSW and its prevention in infants and children**  
Aaron W. Cashmore, Ruiting Lan and Kristine K. Macartney
- 237 Tickborne diseases**  
Chris P. Lowbridge, Stephen L. Doggett and Stephen Graves

## Communicable Diseases Report, NSW

## 238 September and October 2011

# NSW PUBLIC HEALTH BULLETIN

The *NSW Public Health Bulletin* is a peer-reviewed journal produced by the NSW Department of Health and indexed in Medline. It has a NSW focus, however, it aims to support the practice of public health more broadly.

### Editor

Dr Lynne Madden  
BSc(Med)Hons1, MBBS, MPH, MSc, FFPH, FAFPHM

### Acting Editorial Manager

Mary Sinclair

### Editorial correspondence

Please address all correspondence and submissions to:  
The Editor, *NSW Public Health Bulletin*  
Locked Mail Bag 961  
North Sydney NSW 2059 Australia  
Email: phbulletin@doh.health.nsw.gov.au  
Telephone: +61 2 9424 5876  
Fax: +61 2 9391 9232

### Submission of articles

The *Bulletin* accepts proffered and commissioned articles along with short reports, on all aspects of public health. Articles should be 1500–2000 words, not including tables and figures, and should include an abstract of up to 150 words. Articles should follow the journal style and layout as closely as possible, as described in the Instructions to Authors. Articles should be emailed in a Word for Windows format to: phbulletin@doh.health.nsw.gov.au, and should be accompanied by a covering letter signed by all authors and a License to Publish. The Instructions to Authors, License to Publish and other useful information can be downloaded from the *Bulletin* website.

### Distribution

The *Bulletin* is freely available from the *Bulletin* website. Copies of the current issue and back issues can be downloaded in both PDF and HTML formats. If you would like to be notified when new issues of the *Bulletin* are available online, subscribe to the early alert email system at the *Bulletin* website. The early alert email contains the contents of each new issue along with electronic links to the articles. To receive a printed copy of the *Bulletin*, subscribe online at the *Bulletin* website, or contact your local public health unit or the editorial office.
