Aboriginal Australians see also Report of the Chief Health Officer

Aboriginal Australians - health
NSW Health Aboriginal Health Impact Statement. 2005; 16(7–8):130
NSW Health Aboriginal Health Impact Statement: references and resources about Aboriginal people and Aboriginal Health. 2003; 14(7):147–8
Improving the identification of Aboriginal and Torres Strait Islander peoples in health-related information collection systems in NSW. 2000; 11(12):204–6
Our people, our health, our future: Murdi Paaki Regional Council Health Summit. 2000; 11(5):81–2
Health and welfare of Australia’s Aboriginal and Torres Strait Islander Peoples 1999. 1999; 10(12):173
Aboriginal Australians - injuries and accidents
Mid North Coast Aboriginal injury surveillance project. 2002; 13(4):81–2
Aboriginal Australians - maternal and infant welfare
Health of Aboriginal mothers and babies in NSW. 1994; 5(1):1–4
Aboriginal Australians - men’s health
Aboriginal Australians - pneumococcal disease
Aboriginal Australians - renal disease
Relationship between the incidence of end-stage renal disease and markers of socioeconomic disadvantage. 2002; 13(7):147–51
Aboriginal Australians - smoking
Current tobacco smoking by the NSW population and the consequences for health. 2004; 15(5–6):87–91
Aboriginal Australians - surveys
Health surveys conducted by the Australian Bureau of Statistics. 2001; 12(8):237–9
Experience of the Well Person’s Health Check in the Far West Area Health Service. 2001; 12(6):152–5
Improving the identification of Aboriginal and Torres Strait Islander peoples in health-related information collection systems in NSW. 2000; 11(12):204–6
Indigenous status a key issue for health services. 2000; 11(12):203–4
Quality of reporting of Aboriginality to the NSW Midwives Data Collection. 2000; 11(12):206–10
Improving the quality and management of Aboriginal and Torres Strait Islander health information in NSW. 2000; 11(6):101–3
Records to make Aboriginality count. 1991; 2(3):20
Aboriginal Australians - vascular health
NSW Aboriginal Vascular Health Program. 2002; 13(7):152–4
Aboriginal Health Information Strategy (AHIS)
Improving the quality and management of Aboriginal and Torres Strait Islander health information in NSW. 2000; 11(6):101–3

Accidents see injuries and accidents
Accommodation establishments see also mobile communities
Drinking water investigation. 2000; 11(7):124–6
Adolescents see also children
Current tobacco smoking by the NSW population and the consequences for health. 2004; 15(5–6):87–91
Promoting tobacco to the young in the age of advertising bans. 2004; 15(5–6):104–6
Suicide in New South Wales: The NSW Suicide Data Report. 2001; 12(3):80–4
Licit and illicit drug use in NSW. 1999; 10(12):164–7
Making a noise about suicide: a community development approach. 1999; 10(10):130–1
Adolescents, nutrition and eating disorders. 1999; 10(4):33–4
Adolescent health monitoring at the regional level. 1998; 9(6–7):78–9
Indicators of the health status of children and youth. 1998; 9(6–7):75–7
Deaths recorded as mental disorders in the 15-24 age group, 1979-89. 1992; 3(10):112
Adolescent Health Survey see New South Wales Population Health Survey - Adolescent Health

Adverse events after immunisation
Monitoring for adverse events following immunisation for the school-based meningococcal C vaccination program in NSW. 2004; 15(7–8):144–53
Monitoring adverse events following immunisation. 2003; 14(1–2):21–4
NSW Immunisation Advisory Committee [re adverse events following immunisation (AEFIs)]. 1996; 7(8):93
Immunisation adverse events clinic, New Children’s Hospital, Westmead. 1996; 7(7):81
Adverse event following immunisation. 1993; 4(7):80
Adverse reactions following immunisation. 1991; 2(12):136
Immunisation—benefits outweigh risks. 1991; 2(5):40–3

Adverse reactions
advertising see also marketing
Promoting tobacco to the young in the age of advertising bans. 2004; 15(5–6):104–6
NSW Health Hepatitis C public awareness campaign. 2000; 11(3):37–9
Advertising campaign on the dangers of lead. 1998; 9(3):38
advocacy see also community consultation; consumers; health promotion
Advocacy for tobacco control. 2001; 12(3):72–4
aged care see also aged care facilities; falls; older people; outbreaks in institutions
aged care facilities see also outbreaks in institutions
A tuberculosis contact investigation involving two private nursing homes in inner western Sydney in 2004. 2006;
17(3–4):44–7
Vaccination status of nursing home staff and residents. 1993; 4(4):39–40
AIDS (disease) see also HIV infections; HIV infections - regular reports
Factsheet: HIV and AIDS. 2002; 13(6):139–40
AIDS diagnoses and AIDS deaths. 2002; 13(4):85–90
13(3):54–7
20 years of AIDS. 2001; 12(7):207
11(12):217–19
11(4):58–60
How does HIV-AIDS surveillance work in NSW? 1999;
10(3):25–8
Using Australian cryptococcal surveillance data to improve AIDS surveillance in NSW. 1996; 7(6):60–1
Improving AIDS surveillance. 1991; 2(10):100–4
air pollution see also lead

Families first: a support network for families raising
children. 1999; 10(7):84–5

children - enteric diseases
Haemolytic uraemic syndrome: a cluster of cases in early

children - hepatitis B
Study of hepatitis B in schoolchildren. 1990; 1(12):54

children - injuries and accidents see also drownings
Child Safety on Farms strategy. 2002; 13(5):109
Child deaths and injuries in driveways. 2002; 13(4):82
Patterns of drowning and near drowning in NSW. 2002;
13(4):78–80
National award for injury prevention. 2000; 11(1–2):16
Evaluation of a statewide campaign to prevent scalds in
young children. 1999; 10(10):126–9
Childhood injury surveillance: the value of emergency
department data. 1999; 10(7):79–81
In-line skating injuries in children in Eastern Sydney. 1994;
5(10):109–11

children - lead poisoning
Reducing lead exposure in children in Broken Hill. 2003;
14(3):52–4
NSW Lead Management Program in Broken Hill. 2001;
12(6):165–7
Lead and environmental health in Broken Hill. 1997;
8(11–12):97
Update on lead-related activities, from the Public Health
Units. 1997; 8(11–12):99
Assessing the impact of a new motorway on children’s
blood lead levels. 1995; 6(11):121–3
Lead exposure at a school for children with developmental
Lead—Where are we now, and where to from here? 1995;
6(11):119–21
6(11):126–7
Tackling childhood lead poisoning. 1991; 2(10):98–9

children - mental health
Prevention interventions for child and adolescent mental
Improving the health of children in NSW: mental health

children - obesity
Measures taken in New South Wales to address obesity
following the New South Wales Childhood Obesity
Monitoring trends in foods available in school canteens.
1997; 8(6–7):49–50
Infectious diseases, 1994; 5(9):103

communication
Importance of communication skills to effective cancer care and support. 2001; 12(10):272–4
Are letters an effective means of communicating guidelines about prophylactic antibiotics for meningococcal meningitis to close contacts at a child care centre? 1997; 8(8–9):64–5
Public communication in the management of an outbreak of infectious disease. 1993; 4(9):99–102
Public communication during an outbreak of infectious disease. 1993; 4(7):73–4
Communicating what we do. 1991; 2(7):62–3

community consultation
Community and consumer participation in health. 2002; 13(8):188
Consumers first: participating in the system. 2002; 13(7):165–6
Social inclusion and the public health: the case for partnerships. 2002; 13(6):133–5
NSW Safe Communities pilot projects—Evaluation methodology. 2002; 13(4):76–7
Safe Communities. 2002; 13(4):76–7
From community attitudes to community action: opposing domestic violence. 1999; 10(11):150–1
