Special issue: Qualitative research

Guest editorial

105 Doing good qualitative research in public health: not as easy as it looks

Introduces the articles in this issue and discusses the value of qualitative research in public health.

Stacy M. Carter, Jan E. Ritchie, Peter Sainsbury

112 The Indigenous Resiliency Project: a worked example of community-based participatory research

Describes the Indigenous Resiliency Project on bloodborne viruses and sexually transmissible infections, an example of community-based participatory research in qualitative research.

Julie Mooney-Somers, Lisa Maher

119 How do general practitioners persuade parents to vaccinate their children? A study using standardised scenarios

Uses the qualitative method of standardised patient scenarios to explore how general practitioners communicate with parents concerned about child immunisation.

Julie Leask

125 Understanding policy influence and the public health agenda

Analyses the policy-making process both qualitatively and quantitatively by reporting on a study of health policy influence in Victoria.

Jenny M. Lewis

Bug Breakfast in the Bulletin

130 Syphilis

Hanisah L. Corner, Deborah L. Couldwell, Chris P. Bourne

Factsheet

Telephone: +61 2 9424 5876

Fax: +61 2 9391 9232

Submission of articles

The *Bulletin* accepts proffered and commissioned articles along with short reports, on all aspects of public health. Articles should be 1500–2000 words, not including tables and figures, and should include an abstract of up to 100 words.

Articles should follow the journal style and layout as closely as possible, as described in the Instructions to Authors. Articles should be emailed in a Word for Windows format to: phbulletin@doh.health.nsw.gov.au, and should be accompanied by a covering letter signed by all authors and a License to Publish. The Instructions to Authors, License to Publish and other useful information can be downloaded from the *Bulletin* website.

Distribution

The *Bulletin* is freely available from the *Bulletin* website. Copies of the current issue and back issues can be downloaded in both PDF and HTML formats. If you would like to be notified when new issues of the *Bulletin* are available online, subscribe to the early alert email system at the *Bulletin* website. The early alert email contains the contents of each new issue along with electronic links to the articles. To receive a printed copy of the *Bulletin*, subscribe online at the *Bulletin* website, or contact your local public health unit or the editorial office.
