105 Year in review: health protection in NSW, 2012

Highlights health protection activities undertaken in NSW led by Health Protection NSW in 2012 and includes the annual review of notifications of communicable diseases in NSW.

Health Protection NSW

119 EpiReview: Meningococcal disease in NSW, 1991–2011: trends in relation to meningococcal C vaccination

Presents an overview of the epidemiology of invasive meningococcal disease in NSW for the period 1991–2011, and presents new data for the period 2003–2011, to explore changes in IMD epidemiology, particularly in relation to the introduction of the serogroup C vaccination program in 2003.

Erin Passmore, Mark J. Ferson and Sean Tobin

125 Oral health promotion in NSW

Introduces case studies which describe three NSW initiatives that illustrate oral health promotion in action.

Jennifer M. Noller, John C. Skinner, Anthony S. Blinkhorn and Greer M. Dawson

128 The Bila Muuji Oral Health Promotion Partnership

Describes an integrated oral health program serving Aboriginal communities in western and north-western NSW.

Sandra Meihubers

131 Models of smoking cessation brief interventions in oral health

Reviews different approaches to smoking cessation brief interventions used by oral health professionals in Australia and internationally, and introduces the forthcoming evaluation of the NSW Health policy directive on smoking cessation brief interventions for public dental services.

Greer M. Dawson, Jennifer M. Noller and John C. Skinner

135 An evaluation of dental information sessions provided to childcare educators in NSW in 2010–2011

Describes the evaluation results of one component of the NSW Little Smiles Program: dental information sessions provided to childcare educators in NSW to promote oral health and assist with accreditation requirements.

Jennifer M. Noller

Bug Breakfast in the Bulletin

141 Listeriosis surveillance in Australia

Alexis Zander, Craig Shadbolt and Martyn D. Kirk

142 Invasive pneumococcal disease

Praveena J. Gunaratnam, Robin E. Gilmour, Chris Lowbridge and Peter B. McIntyre

Communicable Diseases Report, NSW

143 April–June 2013

NSW PUBLIC HEALTH BULLETIN

The *NSW Public Health Bulletin* is a peer-reviewed journal produced by the NSW Ministry of Health and indexed in Medline. It has a NSW focus, however, it aims to support the practice of public health more broadly.
