Copies of the current issue and back issues can be downloaded from www.health.nsw.gov.au/phb/pages/default.aspx
eISSN 1834-8610

The *Bulletin* uses digital publishing at all stages of production as a priority over print.

The *Bulletin* is printed on archival quality, chlorine-free paper using low volatility vegetable-based inks and uses computer-to-plate technology. The acid-free paper meets the standards of the American National Standards Institute for Information Sciences – Permanence of Paper for Printed Library Materials, ANSI Z39.48-1992.
